Line and Box Judging:

First, thanks to everyone who will be helping with line and box judging! We couldn't put on a tournament without you!

- Line judges **will** be writing the times on the racing sheets. The heat lights will once again be provided by Sam Ford. Line Judges – help us out by keeping up with wins and losses if possible! Thanks!!
- If you find that you will be unable to fill a seat during your assigned judging slot, please let the current table worker know so that we can find someone to take your place.

Racing:

- We have planned for a fun, relaxed tournament. Of course, promptness is always appreciated.
- We will have **2 minute warm ups** - both Saturday and Sunday for every teams' first race.

After the 2 minute warm up period, we will go to 1 minute warm ups.

There are 2 warm up areas at the box end of each side of the racing lanes. These are for the teams in the on-deck position. They may use them as soon as the teams entering the racing lanes have left these areas. You may do box work or any other training in them but please be prompt when it is your team's turn to enter the racing lanes.

Tournament Points: *For divisions **without** an additional single elimination.*

The winner of each heat will receive one tournament point, and the winner of the majority of heats in a race will be awarded an additional two bonus points regardless of format.

Heats ending in a tie will result in each team receiving ½ of a tournament point.

If neither team wins the majority of heats, there will not be an extra heat ran, but both teams will split the 2 additional bonus points.

If neither team wins the majority of heats because of a double loss in one of the heats, there will not be an extra heat ran and neither team will receive bonus points.
